## **St. Christopher's Mission Statement:**

St. Christopher's mission is to serve students and provide their families with quality professional assistance in raising their children. To accomplish this, we bring the best professional services to the process of positive youth development for each student. We also provide the comprehensive learning experience and welcoming environment that enable each student to acquire the academic and social skills needed to be independent and productive members of families, neighborhoods and communities.

## **Some of our Highlights from Last Year**

- Second year anniversary of successfully operating the REACH Program. This is a one-of-a-kind program that provides residential and educational services to young men who are cognitively limited with intensive treatment needs.
- Starting a new breakthrough therapeutic intervention program, Dialectical Behavior Therapy, in our work with children with psychiatric impairments and cognitive limitations.
- Partnering again with Westchester County Department of Social Services to provide residential services to their youth population.
